To Whom It May Concern

Subject: **Letter of Recommendation**

It is with much enthusiasm that I write a recommendation for Mr. Esunch Bekele whom I known when he was a student of our Department under the CDED program. He graduated from Hawassa University, Department of Civil Engineering in Bachelor of Science Degree in Civil Engineering in April 2023.

He was among the active-in-class and good students in his overall academic performance. Therefore, I believe that the rigorous training in the undergraduate program augmented with his diligence and high team work sprit, creative thinking and interactive behavior will enable him to carry out tasks and to go through any further training program.

He was good in communicating with teachers and of appreciable proficiency in English language. In him, I found a rare quest for learning new knowledge and ideas. He is a cooperative, understanding and sociable person.

I hope he will keep up his aspiration and motive to the best of his capacity. I am thus confident to recommend him for a position commensurate with his qualification and with all the best.

Wishing all the bests for his future!

With regards,

Mr. Henok Reffisa Fille (MSc)
